Why is UAE a natural destination  
for blockchain?

Answer:

UAE is one of the few countries in the world  
with no direct taxation.

If data is the new oil of the 21st century and can produce companies like Google and Facebook, blockchain is the new diamond.

Why should Fujairah take  
a lead in Blockchain?

Answer:

It can help Fujairah grow bigger  
than Dubai and Abu Dhabi.

Fujairah can be the first.

What does Fujairah have to do  
to take a lead in Blockchain?

Answer:

Create a welcoming environment  
for blockchain companies.

Market Fujairah as a  
blockchain destination.

Make it easy to create  
blockchain companies from Fujairah.

So what is RanchiMall?

Ranchi Mall FZE is a Fujairah  
free zone company with trading license in  
e-commerce and management consulting.

RanchiMall is an innovator in the blockchain space.

RanchiMall has identified Fujairah in UAE  
as its strategic location for blockchain initiatives.

RanchiMall is looking for  
local partners to support us  
in our blockchain initiatives.

We have, until now, identified these possible partners,  
and have made initial contacts with them:

FNG group  
for local overall business support

Fujtown  
for local technology support

Fujairah e-Government  
for local regulatory support

These initial contacts will only be real  
if we secure these partnerships.

LET'S MEET! LET'S TALK!  
LET'S MAKE IT HAPPEN TOGETHER!
